MENDOCINO

PINOT NOIR

The History

symbol of American celebration and tradition. Established in 2010 by our friend and Sommelier Dave Bender, we wanted to offer a product that combined his wine experience and passion for entertaining friends and family with the Brutocao family's 74 year history of growing grapes and producing wine. As can be common at these gatherings- one bottle is never enough- but don't despair for *Thee Who Has The Bottle's Final Drips Is Entitled To A Single Wish®*.

THE GRAPE

100 % Pinot Noir

TASTING NOTE

Aromatically expressive with perfumed notes of rose pedal, lilac, cranberry and wild strawberry. The beautiful high toned aromatics and red fruit characteristics are laced with fresh acidity and delicate savory structural components. This is a wine that is equally delicious as it is complex.
