**The History**

Vignoble Gilbert Chon is a family estate since 1670 in Muscadet, west of the Loire Valley. The Chon family, owner-wine growers, cultivate 170 acres on the finest terroir of the region with the greatest respect for ancestral techniques, thus perpetuating more than three centuries of tradition, to offer a wide range of Muscadet and Loire Valley wines in France and abroad. The 13th generation of the family joined the estate in 2022, opening new development outlooks for the future!

100% Melon de Bourgogne

**Tasting Note**

A traditional Muscadet of terroir; its elegance, complexity, opulence and mineral touches make it a full-fledged gourmet wine; tremendous focus with an almost saline touch; light on its feet but with all components falling in place; ideal for sea scallops, crab and other shellfish.
